

Let's make our area better

Improve it!

In your community are there improvements that can be made to your local park or open spaces?

If you are a council tenant are there improvements that could be made to your building or land around it?

Is there Council land that could be developed as an environmental project? Where? How?

What would make it the way you want?

Fund it!

Do you need funds for a community project?

Pop-up and talk

The Neighbourhood Network wants to feedback about work that has taken place, what work is due to be started as well as looking at projects sitting in the projects bank for you to approve or change by adding projects you feel are more relevant today. We're there to listen.
